Kyle loves to gold pan and on this perfect day he took a few of us to the river to show us how its done!

The water rushing over the wall of the Black Canyon Dam is one of our students favorite walks to take on a summer evening.

# Work Projects

The chicken coop got an upgrade and we got a lot of work done on our new offices and gym!

## Mama Mia!

The students love helping make dinner and sometimes lunch too! Home-made pizza and fresh vegetables are definitely a favorite around here!

## New Student: JP

JP came to us from Indiana. He loves Anime, working hard, and rap music. He loves to joke with staff and other students and is always filling the house with boisterous laughter! JP enjoys working with his hands and jumped at the chance to help us work on our chicken coop and new building. It has been a pleasure to have JP join our Aloft family!
